

Airport Heli Shuttle

KANSAI · KYOTO · PREMIUM HELICOPTER SERVICE

Kansai Airport (KIX) — JPD Heliport

FLIGHT TIME

Just 25 minutes

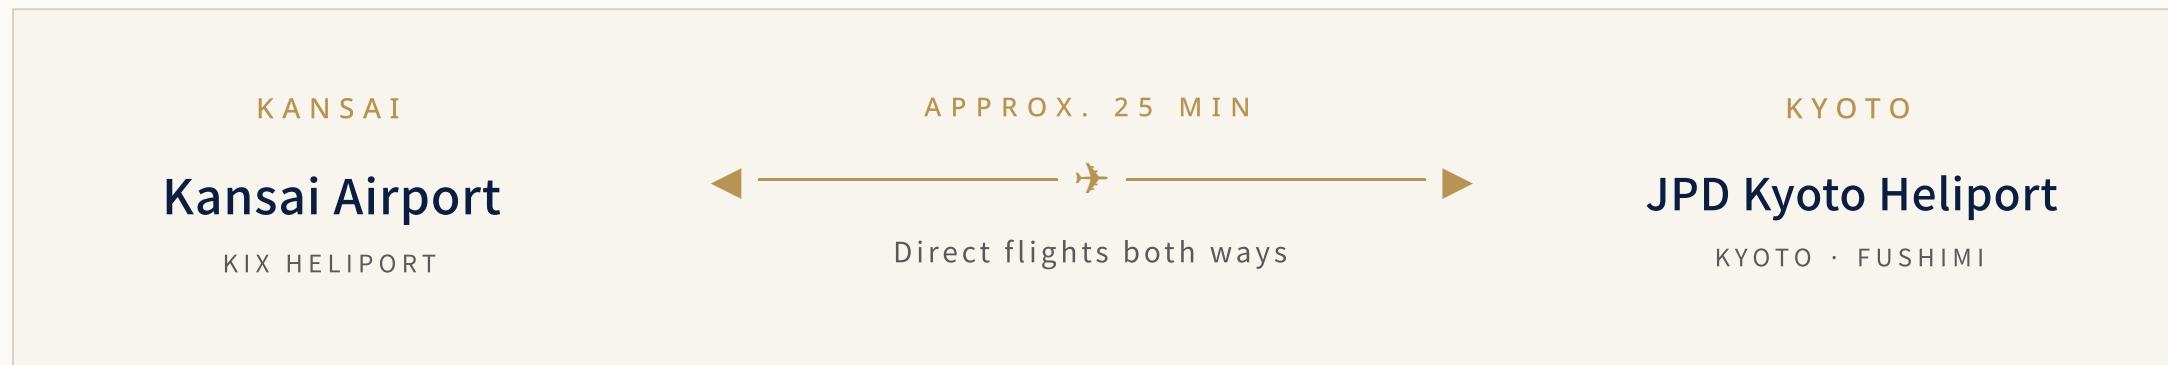

No traffic, no transfers —
a moment in the sky to Kyoto.

From Kansai International Airport to JPD Kyoto Heliport.
An 80–120 minute drive becomes a 25-minute flight. Taxis to major city destinations can be arranged on arrival.

SERVICE OVERVIEW

Redefine the Stay by Air.

A premium two-way air route connecting Kansai International Airport and Kyoto.
Free from traffic and transfers, guests make the most of every moment of their stay.

THREE VALUES

Value for Your Guests

01

Time Savings

A 90–120 minute drive between KIX and Kyoto becomes a 25-minute flight.

02

Scenic Views

Osaka Bay, the Yodo River and the Kyoto basin from above.

03

Luxury Travel

A quiet, comfortable, state-of-the-art aircraft for premium travel.

KYOTO → KANSAI · RETURN LEG

The return leg adds value, too.

Enjoy Kyoto until the very last minute.

Enjoy Kyoto until evening, then fly straight to Kansai International Airport.
"Sightseeing until afternoon → evening flight to KIX"
— a schedule that was once out of reach is now possible.

EXAMPLE SCHEDULE

–16:00 Kyoto sightseeing / 17:00 Depart Kyoto / 17:25 Arrive KIX ►

Ample connection time for evening flights

AIRPORT-SIDE ACCESS · OUR STRENGTHS

Our Strengths at KIX.

Our own operation and passenger flow within Kansai International Airport, offering hotel guests a seamless journey all the way through the "last mile."

STRENGTH 01

Seamless airside access from the terminal.

OFFICIAL VEHICLE / Airside transfer vehicle

At Kansai International Airport, we provide **airside transfers from the terminal** in our own vehicles.

HELIPORT ACCESS

From the arrival gate to boarding, the entire journey is managed under our own integrated operation. Staff experienced in airport operations handle aircraft marshalling and boarding guidance, ensuring both **safety and on-time performance.**
